“ *I want to take a moment to express my heartfelt appreciation for the cherished memories we shared. Patrick was not only a gifted musician, celebrated for his enchanting song "Spiral Staircase," but he was also a dear friend whose spirit brightened every room.*

I will always treasure the stories Patrick shared about his time spent with the legendary Ricky Nelson. Those moments reflected not only his passion for music but also the deep bonds he formed with his idols. He spoke of their shared laughter, late-night jam sessions, and the invaluable lessons Ricky imparted, which helped shape Patrick's own musical journey. Those stories were a testimony to his love for the craft and the joy of connecting with others who shared that passion.

Though Patrick may no longer be with us, the melodies he created and the warmth he offered will live on in our hearts. Rest in peace, dear friend. Your music, laughter, and the memories of your time with Ricky will forever inspire us.

With love, Comedian Jay Mather

“ My condolences to the family of Mr. Pat Upton. I, along with many others had the privilege of sharing time with Pat, both musically and personally. I played with Mark, Tim and Gene(Gino) for what are some of the most memorable times of my life. Pat was warm and funny and never lost that "high note". I remember him singing from the floor of P.J.'s, and having a conversation with him in Florida about "More today than yesterday". He was a kind soul and I am better for knowing him. My sincere prayers for you. Randy Beason

“ May all the wonderful memories of Pat and his music lift all of Pat's family and friends. With deepest sympathy for the loss of such a kind man

*Death is nothing at all.
I have only slipped away to the next room.
I am I and you are you.
Whatever we were to each other,
That, we still are.*

*Call me by my old familiar name.
Speak to me in the easy way
which you always used.
Put no difference into your tone.
Wear no forced air of solemnity or sorrow.*

*Laugh as we always laughed
at the little jokes we enjoyed together.
Play, smile, think of me. Pray for me.
Let my name be ever the household word
that it always was.
Let it be spoken without effect.
Without the trace of a shadow on it.*

*Life means all that it ever meant.
It is the same that it ever was.
There is absolute unbroken continuity.
Why should I be out of mind
because I am out of sight?*

*I am but waiting for you.
For an interval.
Somewhere. Very near.
Just around the corner.*

All is well.

The voice of an Angel r.i.p. Mr Upton, that single song brought more joy to people's hearts and put more smiles on people's faces than you probably ever realized. When I listen to it today, it is pure joy and still makes me smile ear to ear. God bless.
